

## **State Champions Risk Loss of Pool Due to Budget Cuts!**

*Here's one way to help ?*

*Donate your yard sale items to ...*

The second-annual, super water polo community yard sale is September 12<sup>th</sup> and 13<sup>th</sup> in the Lincoln School parking lot.

We are collecting good-quality used items all summer.

*All donations are tax-deductible.*

We'll make it easy for you:

- Having your own yard sale, or see your neighbors having one? We will pick up usable leftovers and save you a trip to Goodwill.
- Have a large pile of cash in your basement? We're on it!
- Spring or Summer clean out? Call for a pick up of items you no longer use.

The Details:

We are particularly looking for: furniture, tools, collectables, jewelry, quality books, sporting goods and household items.

Sorry, we are unable to take: large exercise equipment, old computer or electronic equipment, large TVs and other things that don't sell well.

Call Mike or Tatiana, **482-3553**, to schedule a pick up.

Thanks for keeping our polo players afloat!
